## HOW TO MAKE:

# The ultimate ice cream sundae!

Tip: Run your ice cream scooper under hot water for a few seconds to make scooping a breeze!

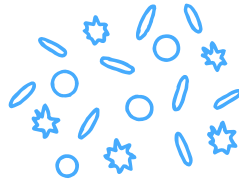

06

*The finishing touch.*  
Complete your sundae with a cherry on top.

05

*Sprinkles and candies and crunchies, oh my!*  
Add chopped nuts, M&Ms, cookie crumbles, or any kind of sprinkles. It's almost done!

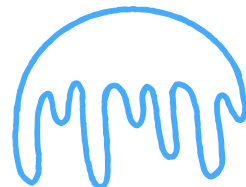

04

*Fluff and stuff.*  
Marshmallow fluff or whipped cream gets layered on next.

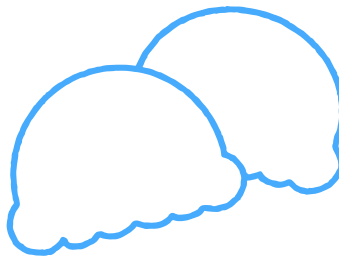

03

*Feeling saucy.* Chocolate syrup, hot fudge or caramel. Add your favorite, or a little of each. Prefer fruit? Try a spoonful of your favorite jam or jelly!

*Start scooping.*  
Add 2 scoops of your favorite flavor or mix and match.

01
